

Forwarded in original to Model Menet School Punhana for
information. Enclt No. 941 dt - 14.07.22
During School visit, it was found that separate

Washrooms for boys and girls were there in
the School premises and well connected with water.

School is equipped with 3 No. Sweepers for
maintaining cleanliness in the School premises

Sub Divisional Engineer
P.H. Engg. Sub Division No.2
Punhana
